“AI@Bicocca”

Daniele Nemmi
University of Padova

11.45 am (UTC+1)

Online venue: WebEx
University of Milano-Bicocca
Via R. Cozzi 55
Milano (IT)

We will talk about some of those graphs, in particular we will focus on the ones associated to classes of groups. We will see how some notable subgroups can be characterised in terms of these objects and present some open questions.

Marco Barbieri
Alberto Cassella
Giulia Dal Verme
